Our Annual Memorial Mass will take place on Friday 26th November at 7.30 pm. All are invited to attend as we, in love and prayer, commend our deceased to the Lord's eternal compassion.

The Covid-19 pandemic has been a particularly difficult time for those who have lost loved ones and have often had to cope with their grief without many of the usual spiritual and community supports.

To pastorally support everyone who has suffered the pain of bereavement during the pandemic, and in the context of the month of November as the traditional time when we remember our dead, **on this Sunday, 14th November at 3.00pm, the Bishops of Ireland will undertake a pilgrimage to the International Eucharistic and Marian Shrine in Knock.** The bishops will concelebrate Mass for all those who have died in our country during the pandemic, and for their families. At the Mass the bishops will also offer prayers of thanksgiving for all those who so selflessly sacrificed so much during the pandemic. This Mass will be live-streamed on www.knockshrine.ie and broadcast on the RTÉ News Now digital television channel and online.

The bishops invite everyone to join with them in prayer on this solemn occasion

Norms for indulgences at the Commemoration of All Souls:

From twelve o'clock noon on 1st November until midnight on 2nd November, all who have confessed, received Holy Communion and prayed for the Pope's intentions (one Our Father and Hail Mary, or any other prayer of one's choice) can gain one plenary indulgence by visiting a church or oratory, and there reciting one Our Father and the Apostle's Creed. This indulgence is applicable only to the souls departed. Confession may be made at any time within the week preceding or the week following 1st November. Holy Communion may be received on any day from 1st November to 8th November. The faithful who visit a cemetery and pray for the dead may gain a plenary indulgence applicable only to the Holy Souls on the usual conditions once per day from 1st to 8th November. The conditions mentioned above apply also for this.
